SCHOLARSHIP FUNDING SECURED Student Volunteers Rewarded

Belvidere, New Jersey (May 7, 2018) – Belvidere Heritage, the new non-profit charitable organization responsible for planning the rebirth of Victorian Days received some welcomed news last week. As promised, former event personnel have ensured that volunteers with the Class of 2018 will receive their accrued scholarship funding even though Victorian Days did not occur in 2017.

“These students have shown exemplary leadership capabilities through their volunteer service and deserve to have these promised funds made available to them,” said Treasurer Joan McDonald. In the past, students who volunteered for Victorian Days received credits towards a graduation scholarship. Following the cancellation of Victorian Days in 2017, many within the community worried that the accrued credits and scholarship funds were lost.

“The work ethic of the students who volunteer for Victorian Days is amazing, and we are proud of how each one has contributed for the love of Belvidere,” said President Amy Lewis. She continued, “We are very thankful for the former committee's cooperation. It is the new board's intent to expand and enhance the scholarship offering for future volunteers.” The rebirth of Victorian Days will take place September 8th and 9th 2018 at Garret D. Wall Park and will be launched with a formal cotillion on the evening of September 7th. Residents and visitors wishing to receive additional information on the event, volunteer or scholarship opportunities may visit www.belvidereheritage.com.
